"technical college" means any technical college established or deemed to have been established in terms of a law repealed by this Act and which existed immediately prior to the commencement date; and

"this Act" includes any regulation or notice made under this Act.

2 Application

This Act applies to education and training at colleges in the Province.

3 Determination of policy

Subject to any applicable law governing the determination of education policy, the Member of the Executive Council determines policy in relation to education and training at colleges in the Province.

4 Control of education and training at colleges

As from the commencement date, education and training at colleges in the Province is controlled by the Department, acting in terms of -

(a) this Act, and any other applicable law; and

(b) any policy determined by the Member of the Executive Council, and any other applicable policy.

CHAPTER TWO
COLLEGES (sections 5-19)

5 Establishment of colleges

(1) The Member of the Executive Council, with the agreement of the Member of the Executive Council responsible for finance and by notice in the Provincial Gazette, may establish colleges.

(2) Despite any other provision of this Act, the Member of the Executive Council must, in respect of a college established in terms of subsection (1), establish the first council of the college and appoint members to that council.

(3) The council established in terms of subsection (2) must, within twelve months, be replaced by a council constituted as contemplated in section 21.

(4) A council of a college may, with the agreement of the Member of the Executive Council, establish a satellite at any place.
6 Status of colleges

Every college is a juristic person.

7 Acquisition and disposal of property

(1) Every college may, subject to the provisions of this Act -

(a) purchase or otherwise acquire, hold, lend, sell, exchange or otherwise alienate movable or immovable property or grant to any person any real right in or servitude on its property; and

(b) acquire, invest, lend and borrow money.

(2) Despite the provisions of subsection (1) -

(a) no college may without the approval of the Member of the Executive Council -

(i) lend or borrow money;

(ii) let for a period longer than two years immovable property acquired from the State or with the financial assistance of the State; or

(iii) otherwise dispose of or alienate in any fashion or grant to any person any real right in or servitude on that property;

(b) the Member of the Executive Council may, subject to subsection (3), direct that any movable or immovable property of a college acquired from the State or with the financial assistance of the State, be transferred to the State on payment of such compensation as is required by the Constitution, if he or she reasonably believes that the movable or immovable property is not being utilised in the best interests of education and training in the Province.

(3) The Member of the Executive Council may not act under paragraph (b) of subsection (2) unless he or she has -

(a) given reasonable notice of the intention so to act, and the reasons for such action, in the Provincial Gazette;

(b) given the council of the college and any other interested person a reasonable opportunity to make representations; and

(c) considered any such representations.

(4) Immovable property devolving upon the State in terms of paragraph (b) of subsection (2) must, subject to the approval of the Member of the Executive Council responsible for finance, be transferred to the State subject to any existing right, encumbrance, duty or trust on or over that property.
(5) The officer in charge of the deeds office where the immovable property referred to in paragraph (b) of subsection (2) is registered must on submission of the title deed and on application by the State make such endorsements on that title deed and such entry in the registers as may be required to register the transfer concerned.

(6) Every college must appropriate money or other goods donated or bequeathed to or received in trust by such college, in accordance with the conditions of the donation, bequest or trust concerned.

8 Employment of staff

Every college may employ such employees as are necessary for the effective performance of its functions.

9 Admission policy

(1) The admission policy of a college may not unfairly discriminate on grounds of race, ethnic or social origin, colour, gender, sex, disability, sexual orientation, religion, conscience, belief, culture or language.

(2) The council of a college determines the admission policy of the college subject to -

(a) any policy determined by the Minister in terms of the National Education Policy Act, 1996 (Act 27 of 1996);

(b) any applicable Provincial law; and

(c) any requirements determined by the Member of the Executive Council by notice in the Provincial Gazette.

(3) Any student who has been refused admission to a college may appeal against the decision to the Head of Department.

(4) The Head of Department must consider any appeal contemplated in subsection (3) and may set aside or confirm the decision.

10 Provision of education and training programmes at colleges

(1) Every college may provide further education programmes, vocational and technological education programmes, adult education programmes, community education programmes and any other education and training programmes and services approved by the council, subject to any policy determined by -

(a) the Minister in terms of the National Education Policy Act, 1996 (Act 27 of 1996); and

(b) the Member of the Executive Council.
(2) Before a council approves a programme as contemplated in subsection (1), the council must consider the extent to which such a programme is likely to impart skills relevant to the development needs of the Province.

(3) Nothing in this Act may be construed as obliging the Member of the Executive Council to allocate public funds to a college in respect of any education and training programme or service provided in terms of this Act.

11 Examination, evaluation and certification

(1) The Head of Department may issue directives regarding examination, assessment and certification at colleges subject to -

(a) the Examinations and Assessment Act, 1997 (Act 7 of 1997), the South African Qualifications Authority Act, 1995 (Act 58 of 1995), the South African Certification Council Act, 1986 (Act 85 of 1986); and

(b) any policy determined by the Minister in terms of the National Education Policy Act, 1996 (Act 27 of 1996) and any policy determined by the Member of the Executive Council.

(2) Any directive issued in terms of subsection (1) is binding on a college.

12 Language policy of colleges

(1) The language policy of a college is made by the council of the college, subject to -

(a) the approval of the Head of Department;

(b) any applicable Provincial law; and

(c) any other applicable law.

(2) Language competence testing must not be used as an admission requirement at a college.

(3) No student at a college may be punished for expressing himself or herself in a language which is not a language of learning of the college concerned.

(4) The Member of the Executive Council may, by notice in the Provincial Gazette, recognise any sign or signed language which in his or her opinion is used by a significant proportion of people communicating in sign or signed languages in the Province.

(5) For the purposes of any matter related to education and training at colleges in the Province, any language recognised under subsection (4) has the status of an official language.
13 Code of conduct at colleges

(1) The council of a college must adopt a code of conduct for the college after consultation with -

(a) the students' representative council; and

(b) organisations representing employees at the college.

(2) The Member of the Executive Council may, by notice in the Provincial Gazette, determine guidelines for the adoption of a code of conduct at a college.

(3) A code of conduct contemplated in subsection (1) must be aimed at establishing a disciplined and purposeful educational environment, dedicated to the improvement and maintenance of the quality of the learning process.

14 Discipline of students at colleges

(1) Every student at a college is subject to any disciplinary rules and procedures made by the council in terms of section 22(2).

(2) The disciplinary rules and procedures contemplated in subsection (1) -

(a) are subject to any policy determined by the Member of the Executive Council; and

(b) may be made only after consultation with the students' representative council.

15 Declaration of education institution as college

(1) Subject to subsection (3), the Member of the Executive Council, with the agreement of the Member of the Executive Council responsible for finance and by notice in the Provincial Gazette may declare any education institution as -

(a) a college; or

(b) a satellite of an existing college.

(2) The notice contemplated in subsection (1) must determine the date on which the education institution becomes a college or a satellite of an existing college.

(3) The Member of Executive Council may only act under subsection (1) -

(a) after consultation with -

(i) the governing body or similar authority of the education institution concerned, if it is a public education institution administered, funded or controlled by the Department;
(ii) the council of the college concerned, if the education institution is to be declared a satellite of an existing college;

(b) with the agreement of -

(i) the owner of the education institution, if it is a private education institution; or

(ii) the relevant organ of state, if the educational institution is administered, funded or controlled by an organ of state other than the Department.

(4) Sections 5(2) and 5(3), read with the changes required by the context, apply to an education institution declared by the Member of the Executive Council as a college.

16 Consequences of declaration of education institution as college

(1) From the date contemplated in section 15(2) -

(a) the education institution is deemed to be a college established under this Act or a satellite of such a college;

(b) the assets, liabilities, rights and obligations of the education institution evolve upon the college concerned;

(c) any agreement lawfully entered into by or on behalf of the education institution, is deemed to have been concluded by the college concerned;

(d) the ownership and control of movable property and all rights, liabilities and obligations attached to that property which immediately prior to that date vested in the State and which relate exclusively to the college concerned, devolve upon the college on such terms and conditions as are determined by the Member of the Executive Council; and

(e) the ownership and control of immovable property and all rights, liabilities and obligations attached to that property which immediately prior to that date vested in the State and which relate to the college concerned, may, if so determined by the Member of the Executive Council, devolve upon the college concerned on such terms and conditions as he or she may determine.

(2) Immovable property devolving upon a college in terms of paragraph (e) of subsection (1) must, subject to the approval of the Member of the Executive Council responsible for finance, be transferred to such college, subject to any existing right, encumbrance, duty or trust on or over that property.

(3) The declaration of an education institution as a college or a satellite of a college under section 15 does not affect anything lawfully done by the education institution prior to the declaration.
(4) All funds which, immediately prior to the date contemplated in section 15(2), were vested in the education institution concerned by virtue of a trust, donation or bequest must be applied by the college concerned in accordance with the trust, donation or bequest.

(5) The declaration of an education institution as a college, or a satellite of an existing college, as contemplated in section 15(1) must not be construed as changing the employer of any person employed at a college.

17 Amalgamation of colleges

(1) The Member of the Executive Council on his or her own initiative or at the request of the council of a college, may with the agreement of the Member of the Executive Council responsible for finance and by notice in the Provincial Gazette, amalgamate two or more colleges into a single college.

(2) The Member of the Executive Council may not act under subsection (1) unless he or she has -

(a) given reasonable notice of the intention so to act, and the reasons for such action, in the Provincial Gazette;

(b) given the councils of the colleges concerned and any other interested person a reasonable opportunity to make representations; and

(c) considered any such representations.

(3) The single college contemplated in subsection (1) is deemed to be a college established under this Act.

18 Closure of colleges

(1) The Member of the Executive Council on his or her own initiative or at the request of the council of a college, may with the agreement of the Member of Executive Council responsible for finance and by notice in the Provincial Gazette, close a college.

(2) The Member of the Executive Council may not act under subsection (1) unless he or she has -

(a) given reasonable notice of the intention so to act, and the reasons for such action, in the Provincial Gazette;

(b) given the council of the college concerned and any other interested person a reasonable opportunity to make representations; and

(c) considered any such representations.

19 Consequences of closure of college

(1) If a college is closed in terms of section 18, all of its assets and liabilities must after closure be dealt with by law and any residue devolves upon the
State and must be applied by the Member of the Executive Council to an appropriate purpose in public education.

(2) Immovable property devolving upon the State in terms of subsection (1) must be transferred subject to any existing right, encumbrance, duty or trust on or over that property, in which case section 7(5) applies with the necessary changes.

(3) The closure of a college does not affect anything lawfully done by the college prior to closure.

CHAPTER THREE
COLLEGE GOVERNANCE (sections 20-31)

20 Governance of colleges

Subject to this Act, a college is governed by -

(a) its council;

(b) its senate, if established under section 24;

(c) its students' representative council; and

(d) its principal.

21 Composition of council of college

(1) Every council consists of-

(a) the principal;

(b) members of the senate, elected by the senate, if a senate has been established in terms of section 24;

(c) student members, elected by the students' representative council;

(d) educator members, elected by educators;

(e) other employee members elected by employees other than educators;

(f) representatives of organised labour, organised business and local government, other than employee members, appointed by the rest of the council;

(g) such other persons nominated by every body or organisation which is recognised by the Member of the Executive Council as a stakeholder of the college; and

(h) such additional persons as may be appointed by the Member of the Executive Council on the basis of their experience or expertise.
(2) The number of persons contemplated in paragraphs (b) to (g) of subsection (1) is determined by the Member of the Executive Council by notice in the Provincial Gazette.

(3) The number of persons contemplated in paragraph (h) of subsection (1) must at the time of their appointment be less than 20% of the total number of members of the council.

(4) The manner of election, nomination or appointment and the terms of office of persons contemplated in subsection (1) are as determined by the Member of the Executive Council by notice in the Provincial Gazette.

(5) The Member of the Executive Council may determine different compositions for the councils of different colleges, if there is a reasonable and equitable basis for such differentiation.

22 Powers and duties of council

(1) The council is responsible for the management and control of the college.

(2) The council may make rules and determine procedures which are not inconsistent with this Act or any policy determined by the Member of the Executive Council -

(a) for the effective management and control of the college, and the discipline of the students at the college; and

(b) to give effect to this Act.

(3) The council, subject to any policy determined by the Member of the Executive Council, determines the fees payable by students for tuition, boarding and any other services rendered by the college.

(4) The council may enter into agreements of co-operation relating to the promotion of education and training at colleges with other persons or bodies.

(5) The council, subject to the approval of the Member of the Executive Council, may determine the name of the college and the name of any satellite of the college.

(6) The council must submit a written report on the activities of the college to the Head of Department by 31 March of each year.

(7) The council may, subject to such conditions as it may determine, delegate any of its powers or assign any of its duties in terms of this Act or delegated to it in terms of section 46 to -

(a) the senate, if a senate has been established in terms of section 24;

(b) the principal.
A delegation or assignment under subsection (7) does not prevent the council from exercising the powers or performing the duties concerned.

### Committees of council

1. The council may establish committees and assign any of its functions to them and may appoint persons who are not members of the council as members of such committees.

2. The council is not divested of responsibility to perform any function assigned to a committee in terms of subsection (1).

3. Any decision taken by such committee in the performance of any function so assigned, must as soon as reasonably practicable be presented to the council for ratification.

4. The constitution, manner of election, functions, procedures at meetings and dissolution of committees are as determined by the rules contemplated in section 22(2).

### Establishment of senate

A council may establish a senate at a college to be responsible for -

(a) the academic functions of the college; and

(b) such other functions as are assigned to it by the council.

### Composition of senate of college

1. The senate at a college consists of -

   (a) the principal, who is the chairperson;

   (b) members of the council;

   (c) members of the students' representative council;

   (d) such managers of departments and educators of the college as are appointed by the council; and

   (e) such other persons as are appointed by the council.

2. The number of persons contemplated in subsection (1), the manner of their appointment or election and their terms of office are as determined by the rules contemplated in section 22(2).

### Committees of senate

1. The senate may establish committees and assign any of its functions to them and may appoint persons who are not members of the senate as members of such committees.
(2) The senate is not divested of responsibility to perform any function assigned to a committee in terms of subsection (1).

(3) Any decision taken by such committee in the performance of any function so assigned, must as soon as reasonably practicable be presented to the senate for ratification.

(4) The constitution, manner of election, functions, procedures at meetings and dissolution of committees are as determined by the rules contemplated in section 22(2).

27 Capacity building of senate or council

The Member of the Executive Council may -

(a) institute courses and training programmes for the members of a senate, if established in terms of section 24, or a council; and

(b) with the concurrence of the Member of the Executive Council responsible for finance, approve that the subsistence and travelling expenses of any such members be paid by the Department.

28 Principal of college

(1) The principal is the chief executive officer and the accounting officer of the college and is responsible to the rest of the council for the management and administration of the college.

(2) Subject to section 21(4), the principal is appointed by the rest of the council with the agreement of the Head of Department.

(3) If the principal is absent or unable to perform the functions of a principal, or when the post of principal is vacant, the rest of the council may appoint an educator at the college to act as principal during such absence or incapacity for such duration as the council determines.

(4) The principal may, subject to such conditions as the rest of the council may determine, delegate any of his or her powers, or assign any of his or her duties, in terms of this Act, or delegated or assigned to him or her in terms of this Act, to an employee of the college.

(5) A delegation or assignment in terms of subsection (4) does not prevent the principal from exercising such powers or performing the duties concerned.

29 Executive management committee

The principal, with the agreement of the council, may appoint an executive management committee to assist the principal in the performance of his or her duties.
30 Students' representative council

(1) A students' representative council must be established at every college.

(2) The establishment, composition, manner of election, term of office and functions of a students' representative council must be determined by the Member of the Executive Council by notice in the Provincial Gazette.

31 Cluster of colleges

(1) The Member of the Executive Council may, after consultation with the councils of the colleges concerned, or at the request of the councils of the colleges concerned, designate a cluster of colleges to promote -

(a) co-operation between or among colleges; and

(b) the rational and efficient utilisation of educational resources.

(2) The Member of the Executive Council may, by notice in the Provincial Gazette -

(a) establish a cluster council for every cluster of colleges so designated; and

(b) provide for the composition, manner of election, term of office, powers and functions of a cluster council.

CHAPTER FOUR
FUNDING OF COLLEGES (sections 32-37)

32 Member of Executive Council allocates funds

(1) The Member of the Executive Council, with the agreement of the Member of the Executive Council responsible for finance and out of money appropriated for such purpose by the Provincial Legislature, may allocate funds to colleges on such reasonable basis as he or she may determine.

(2) Before the Member of the Executive Council allocates funds as contemplated in subsection (1), he or she must consider the extent to which the use of such funds is likely to -

(a) promote equitable educational opportunities; and

(b) redress past inequalities in the provision of education and training.

(3) The Member of the Executive Council may -

(a) impose any reasonable conditions on an allocation contemplated in subsection (1); and

(b) impose different conditions in respect of different colleges, different programmes or different allocations, if there is a reasonable basis for
such differentiation.

(4) The Member of the Executive Council, at any time, may -

(a) amend or withdraw any condition imposed under this section; and

(b) impose further conditions on any allocation of funds under this section.

(5) The Member of the Executive Council may not act under subsection (4) unless -

(a) every college affected has been given reasonable notice of the intention so to act and the reasons for such action;

(b) every college affected has been given a reasonable opportunity to make representations regarding such action; and

(c) any such representations have been considered by the Member of the Executive Council.

33 Action on failure of college to comply with Act or conditions

(1) If any college fails to comply with any provision of this Act under which an allocation from money appropriated by the Provincial Legislature is paid to such college, or with any condition subject to which any such allocation is paid, the Member of the Executive Council may call upon the college to comply with that provision or condition within a specified period.

(2) If the college thereafter fails to comply with the provision or condition, the Member of the Executive Council may, despite anything to the contrary contained in any law, withhold payment of the whole or any portion of the allocation appropriated by the Provincial Legislature in respect of the college concerned.

(3) Before taking action under subsection (2) the Member of the Executive Council must -

(a) give notice to the college of the intention so to act and the reasons for such action;

(b) give the council of the college a reasonable opportunity to make representations; and

(c) consider any such representations.

(4) If the Member of the Executive Council takes action as contemplated in subsection (2), a report regarding such action must be tabled in the Provincial Legislature by the Member of the Executive Council as soon as reasonably practicable after such action.
34 Donations to colleges by local authorities

A local authority may donate land, money or other goods to a college.

35 State loans to colleges

(1) The Member of the Executive Council may, with the agreement of the Member of the Executive Council responsible for finance and from monies appropriated by the Provincial Legislature for that purpose, on application, grant loans to colleges.

(2) Any application for a loan contemplated in subsection (1) must:

(a) be submitted in writing to the Head of Department; and

(b) clearly state the purpose of the proposed loan.

(3) The Head of Department, in respect of an application contemplated in subsection (1), may:

(a) call for estimates, plans, specifications, reports, returns or other information; and

(b) conduct inspections of the college concerned.

36 Conditions of State loans

(1) Every loan granted under section 35(1) is subject to such conditions as are determined by the Member of the Executive Council responsible for finance.

(2) Different conditions may be imposed on different loans if there is a reasonable basis for such differentiation.

(3) Subsections (3) and (4) of section 32, and section 33, must with the necessary changes apply to any loan granted in terms of subsection (1).

(4) Every loan together with interest due thereon is, subject to any prior charge or hypothecation, a charge upon all the property, movable or immovable, present or future, of the college concerned.

(5) The Member of the Executive Council responsible for finance, before granting a loan, must, subject to any applicable law, determine:

(a) the rate of interest on the loan;

(b) the period within which the loan and any interest thereon must be repaid; and

(c) the amount and regularity of instalments for repayment of the loan.
37 Financial year, records and financial statements of colleges

(1) The financial year of every college ends on the last day of December in each year.

(2) The principal of a college must keep such accounting records as are necessary to reflect the transactions and financial state of affairs of the college.

(3) The Head of Department may issue directives to the principal regarding -

(a) the system of bookkeeping and accounting to be followed; and

(b) any other records which may be required.

(4) The council must, in respect of each financial year, ensure that adequate financial statements are made, and cause such statements to be audited in accordance with subsections (6), (7) and (8) and submit copies of such audited statements to the Head of Department by 31 March of the next financial year.

(5) The financial statements referred to in subsection (4) must consist of -

(a) a balance sheet reflecting the assets and liabilities of the college;

(b) an income statement or similar financial statement reflecting income and expenditure, of the college; and

(c) such other statements as the Head of Department may require.

(6) The accounting records and annual financial statements of a college must be audited by a person who is -

(a) registered in terms of the Public Accountants and Auditors Act, 1991 (Act 80 of 1991), as an accountant and auditor;

(b) engaged in public practice; and

(c) not a member of the council or senate of the college.

(7) If it is not reasonably practicable for the audit to be conducted by a person contemplated in subsection (6), the council of a college may appoint a person to examine and report on the financial statements contemplated in subsections (4) and (5) who -

(a) is qualified to perform the duties of an accounting officer in terms of section 60 of the Close Corporation Act, 1984 (Act 69 of 1984); or

(b) is approved by the Member of the Executive Council for this purpose.

(8) No person who has a financial interest in the affairs of a college may be appointed under this section to audit the financial statements of that college.
CHAPTER FIVE
TRANSITIONAL PROVISIONS (sections 38-41)

38  Technical colleges

(1) Despite the provisions of section 48 and subject to subsection (2), the laws in terms of which a technical college was established or deemed to have been established, continue to apply to that technical college until the Member of the Executive Council -

(a) closes the technical college in terms of that law; or

(b) declares the technical college as a college or a satellite of a college in terms of section 15.

(2) Despite subsection (1) a technical college, a council or a senate of a technical college may only continue to perform those functions and exercise those powers which they performed previously and which are not inconsistent with this Act.

39  Governance of education institutions declared as colleges

(1) Subject to subsection (5), every council or similar authority of an education institution declared as a college in terms of section 15, continues to exist and perform those functions and exercise those powers it previously performed and exercised which are not inconsistent with this Act, until the first meeting of the council of the college constituted as contemplated in section 21.

(2) Subject to subsection (5), every senate or similar authority of an education institution declared as a college in terms of section 15, continues to exist and performs those functions and exercises those powers it used to perform and exercise which are not inconsistent with this Act, until the first meeting of the senate of the college constituted as contemplated in section 25.

(3) The Member of the Executive Council must, by notice in the Provincial Gazette, determine dates by when -

(a) the council and senate of a college declared in terms of section 15 must be constituted in accordance with this Act; and

(b) the first meetings of such duly constituted council and senate must be held.

(4) Different dates may be determined in terms of subsection (3) in respect of councils, senates and different colleges.

(5) If the Member of the Executive Council is of the reasonable opinion that the previous functions and powers of the education institution declared as a college in terms of section 15, are sufficiently dissimilar to the functions and powers of a college under this Act, he or she may, by notice in the Provincial Gazette, appoint a person or persons with appropriate experience or
expertise to perform the functions and exercise the powers of a council or a senate until the date contemplated in subsection (3)(b) and the existing council, senate or similar authority of the education institution ceases to exist on such appointment.

40 Existing education and training programmes

Any education and training programme which was established at a college in terms of a law repealed by this Act and which existed immediately prior to the commencement date, is deemed to be provided in terms of this Act.

41 Existing loans to technical colleges

Any loan granted to a technical college in terms of a law repealed by this Act which is outstanding at the commencement of this Act, is deemed to be a loan granted in terms of section 35.

CHAPTER SIX
GENERAL (sections 42-49)

42 Member of Executive Council may enter into agreements

The Member of the Executive Council may, in order to further the objects of this Act, enter into agreements with non-governmental organisations, but no agreement placing financial obligations on the Department may be entered into without -

(a) the agreement of the Member of the Executive Council responsible for finance; and

(b) having consulted with any college likely to be affected by the agreement.

43 Inquiry at college

The Head of Department, after giving reasonable notice to the council, may at any time cause an inquiry to be conducted at a college regarding -

(a) the governance, management or maintenance of the college;

(b) the admission, suspension or expulsion of students;

(c) the provision of education and training;

(d) discipline;

(e) the employees at the college;

(f) the land, buildings, equipment, stores and finances of the college; and

(g) any other matter relevant to the effective provision of education and training at the college.
Compulsory school attendance

(1) A college is, for the purposes of any law relating to compulsory school attendance, deemed to be a school within the meaning of that law.

(2) Any person who, in terms of such a law, is obliged to attend school and who regularly and on a full time basis attends a college is deemed to comply with all requirements relating to compulsory school attendance.

Appeals against decisions of Head of Department

(1) Any affected person who is aggrieved by any decision of the Head of Department made in terms of this Act, may, within 30 days of receiving notice of such decision, appeal against the decision to the Member of the Executive Council.

(2) An appeal contemplated in subsection (1) must -

(a) be in writing; and

(b) set out the grounds of appeal.

(3) The Member of the Executive Council, on good cause shown, may extend the period referred to in subsection (1).

(4) The Member of the Executive Council must consider an appeal referred to in subsection (1) and must confirm, vary or set aside the decision of the Head of Department against which the appeal is made.

Delegation of powers

(1) The Member of the Executive Council, subject to such conditions as he or she may determine, may delegate any of his or her powers, or assign any of his or her duties in terms of this Act, other than a power contemplated in sections 45 and 47, to the Head of Department.

(2) The Head of Department, subject to such conditions as he or she may determine, may delegate any of his or her powers, or assign any of his or her duties in terms of this Act, or delegated or assigned to him or her in terms of subsection (1) to -

(a) a person employed by the Department; or

(b) a council of a college.

(3) Any delegation or assignment under subsection (1) or (2) does not prevent the Member of the Executive Council or the Head of Department from exercising such power or performing such duty.
47 Regulations

(1) The Member of the Executive Council may make regulations, not inconsistent with this Act, as to -

(a) any matter which the Member of the Executive Council is empowered or required to prescribe by regulations;

(b) all matters in respect of which the Member of the Executive Council deems it necessary or expedient to achieve the objects of this Act; and

(c) the registration and registration of private technical colleges.

(2) Regulations regarding any fees or allowances payable by or to any person or relating to the control of money must be made with the agreement of the Member of the Executive Council responsible for finance.

(3) Regulations made under subsection (1) may prescribe, in respect of any contravention thereof or failure to comply therewith, a penalty of a fine or imprisonment not exceeding six months.

48 Repeal of laws, and savings

(1) Subject to this Act, the laws listed in the first column of the Schedule are hereby repealed to the extent set out in the third column of that Schedule.

(2) Anything done or deemed to have been done in terms of a provision of a law repealed by subsection (1), and which may or must be done in terms of this Act, is deemed to have been done in terms of the corresponding provision of this Act.

(3) Any regulation, notice or directive made or issued under any law repealed under subsection (1), and which were in force immediately prior to the commencement date, remains in force despite the repeal of such law, except insofar as it is inconsistent with this Act.

49 Short title and commencement

This Act is called the Gauteng College Education and Training Act, 1998, and shall come into operation on a date determined by the Premier by proclamation in the Provincial Gazette.
