Do you need space in a public school for 2014? Submission of admission application forms starts on 17 April 2013. Collect admission application forms from your school from 9 April 2013.

Schools may only accept completed forms from 17 April 2013. Insist on a waiting list number that shows your place in the queue as space is granted on a first-come first-served basis.

Remember: Parents looking for space other than grade 1 or 8 should note that space for these grades is extremely limited especially grades 10, 11 and 12. Avoid changing schools unnecessarily!
Who should apply?

All families can apply for space in public schools nearest to where they live or work.

This includes those seeking:

- Space for grade 1 or secondary school (grade 8)
- Moving from different cities or townships
- Learners from other provinces who are coming to stay in Gauteng in 2014

Documents needed:

- Birth certificate or certified copy or acceptable proof of birth date (a baptismal certificate is not acceptable);
- Proof of residence or work address;
- Immunisation card (for grade 1);
- Study permits for legal immigrants;

Apply early at your nearest school because space is limited. For more information please go to www.education.gpg.gov.za.
