MEC Creecy to open Sci-Bono Discovery Centre’s new building

The Gauteng MEC for Education Ms Barbara Creecy will on Wednesday 25 September officially open a new building that forms part of the final phase of a major construction project at the Sci-Bono Discovery Centre.

The new building will greatly expand the centre’s facilities that are available to accommodate the growing collection of interactive Maths, Science and Technology exhibits and a broad range of science related events, activities and programmes on offer for both the school community and general public.

The new building will ensure that Sci-Bono Discovery Centre remains one of the most popular leisure and educational destinations in Gauteng.

Details of the event are as follows:

Date: 25 September 2013
Time: 15h00
Venue: Sci-Bono Discovery Centre
       Mirriam Makeba Street
       New Town (Johannesburg)

For more information contact the Gauteng Department of Education’s spokesperson, Gershwin Chuenyane on 011 843 6731 or 071 860 4496.
